

Plotting Lesson 1 Practice

September 5, 2016

Introduction

1. On a piece of graph paper draw the x and y axes and then:
 - (a) Draw a dot at the point $(0, 0)$
 - (b) Plot the point $(8, 3)$
 - (c) Plot the point $(3, 8)$
 - (d) Use your straight edge to connect the point $(0, 0)$ to $(3, 8)$
